SUMMARY

Highly skilled Human Resources Specialist with comprehensive experience across all HR functions, including payroll management, employee benefits administration, government relations, and staff recruitment. Adept at ensuring compliance with labor laws, company policies, and regulatory requirements. Proven ability to manage payroll processes, streamline salary structures, and effectively handle employee records while fostering a positive work environment. Experienced in liaising with government agencies to manage visa processing, labor permits, and social security obligations. A strong communicator with a focus on optimizing employee relations, maintaining accurate HR documentation, and supporting HRIS systems.

PROFESSIONAL EXPERIENCE

Human Resources Specialist

Nov 2019 - Present

Al-Shalawi International Co. For Trading and Contracting

- Maintain employee records, contracts, and documentation in alignment with organizational policies and labor regulations.
- Assist with salary processing, monitor deductions and allowances, and ensure timely payments with finance collaboration.
- Manage employee benefits, including health insurance and end-of-service, ensuring compliance with labor laws.
- Liaise with government agencies for visa, Iqama, labor permit, GOSI, and other documentation processing.
- Assist in recruitment, including job postings, screening, interviews, and onboarding of new hires.
- Enforce HR policies and procedures, ensure legal compliance, and assist in internal audits and labor inspections.
- Prepare HR reports and dashboards on attendance, payroll, and workforce planning for management decision-making.

Accountant

Apr 2015 - Oct 2019

Azmeel Company Jubail Office

- Reconciled financial transactions, ensuring accuracy in the general ledger and compliance with accounting standards.
- Managed vendor payments, and customer invoicing, maintaining accurate aging reports and payment schedules.
- Reduced expenses by negotiating better prices, terms, and supply conditions with vendors.
- Generated financial statements, management reports, and budget variance analyses for strategic decision-making.
- Performed regular bank reconciliations and monitored cash flow to ensure optimal liquidity.
- Assisted in budget preparation, monitored project expenses, and supported cost control measures.
- Coordinated with internal and external auditors to ensure documentation accuracy and support financial audits.

KEY ACHIEVEMENTS

- Maintained precise records of housing allocations, lease agreements, and housing-related expenses, resulting in a **40%** reduction in annual rent costs.
- Spearheaded the development and rollout of employee relations policies within a two-month timeframe, strengthening regulatory compliance and streamlining operational processes.
- Developed and implemented a comprehensive exit interview framework, contributing to a **35%** reduction in employee turnover within one year.
